## Our Services

**Home care** is there to help those who need assistance at home continue to live independently at home, where they are most comfortable.

For this reason, we do our best to make sure that our clients receive the help they deserve and family members are provided with support in catering to their loved ones' needs. Our caregivers are well-trained and experienced in different home care areas.

### They offer the following services:

- **Private Duty Nursing Care Services**
- **Personal Care Services**
- **Respite Care Services**
- **Companion Care Services**
- **Post Surgery Home Care**

## Our Mission

We are committed to offering services that cater to each client's unique needs. With our client-centered service approach, we enable them to live independently in their own homes. Our compassionate caregivers do their best to offer them the assistance they deserve; provided with the utmost respect.

## Our Vision

Our vision is to be known as a provider that offers the highest standard of service by earning clients trust by exceeding their expectation and providing clients with compassionate care professionals.

## About Us

**Hope and Harmony Home Care** is your trusted home care provider in Virginia. We are committed to providing our clients, families, and communities with the best quality and affordable home care services. We believe that healing is really achieved at home through quality and compassionate care. At **Hope and Harmony Home Care**, you will be assured to experience the individualized care provided to meet your loved one's needs.
